Siemens S5-95F

6ES5095-8FB01

Failsafe Controller Subunit

01 / EXACT PRODUCT IDENTITY

Type: S5-95F
Supplied label reference: 6ES5095-8FB01
Family: S5-95F

Record both subunit labels. The two basic units must have the same order number and revision level.

02 / Function and selection

The Siemens 6ES5095-8FB01 is one basic subunit of an S5-95F failsafe controller system. The documented system uses two identical subunits with the same order number and revision, linked and configured for the required safety functions.

For replacement: include both subunit labels, revisions, memory references, program backup and COM 95F configuration.

03 / Supply and quotation

Condition: New
Supply scope: One controller unit only
Dispatch: Ready to ship; confirm quantity and destination.
