HIMA F8641

H41/H51 System Module

H41/H51 | Product identification and purchasing

01 / EXACT PRODUCT IDENTITY

F8641
98 1864102
H41/H51

The supplied front marking reads F 8641. Match it to the manufacturer part number, receiving system and installed software labels. The lifecycle list establishes identity and historical status, not electrical ratings or port protocol.

02 / Function and configuration

HIMA F8641 is listed for the H41/H51 system family under manufacturer part number 98 1864102. Match the complete module, installed hardware and software identification when sourcing a replacement for an existing system.

For replacement: include F8641 and 98 1864102, installed revision, rack and slot, software labels and mating connector photographs.

03 / Supply and quotation information

Condition: New | **Supply:** Module only
Dispatch: Ready to ship; confirm quantity and destination.
Warranty: Amikon one-year supplier warranty under written terms.
Rack, system assemblies, mating cables and separately requested accessories are outside the F8641 module supply.

Include the complete model, quantity, destination, required delivery date and installed label photographs.
