ABB DCP 02

P37211-4-0369654

Freelance 2000 CPU Module

01 / EXACT PRODUCT IDENTITY

Type: DCP 02
Supplied label reference: P37211-4-0369654
Family: Freelance 2000

Match DCP 02 to the installed module. The supplied photograph shows P37211-4-0369654; record the actual article, hardware index and software level rather than treating every revision as interchangeable.

02 / Function and selection

ABB DCP 02 is a Freelance 2000 rack CPU module for process control, DigiNet S Ethernet communication and rack I/O exchange. Check the hardware index before selecting a replacement.

For replacement: include the installed module label, hardware index, firmware or software version, rack position and connected system or field wiring.

03 / Supply and quotation

Condition: New
Supply scope: Module only
Dispatch: Ready to ship; confirm quantity and destination.
Warranty: BESTWELL one-year supplier warranty under written terms.
Rack, link module, power supply, system cables and separately requested accessories are outside the module-only supply.
