ABB DCP 10

P37211-0338701

Freelance 2000 CPU Module

01 / EXACT PRODUCT IDENTITY

Type: DCP 10
Supplied label reference: P37211-0338701
Family: Freelance 2000

Match DCP 10 to the installed module. The supplied photograph shows P37211-0338701; record the actual article, hardware index and software level rather than treating every revision as interchangeable.

02 / Function and selection

ABB DCP 10 is a Freelance 2000 rack CPU module with DigiNet S and DigiNet Sr Ethernet system buses, battery-buffered memory and interfaces for the documented redundant station arrangement.

For replacement: include the installed module label, hardware index, firmware or software version, rack position and connected system or field wiring.

03 / Supply and quotation

Condition: New
Supply scope: Module only
Dispatch: Ready to ship; confirm quantity and destination.
Warranty: BESTWELL one-year supplier warranty under written terms.
Rack, link module, power supply, system cables and separately requested accessories are outside the module-only supply.
