ABB ACS880-MU-ZCU-12/14

3AUA0000153462

Programmed memory unit

01 / EXACT PRODUCT IDENTITY

Type: ACS880-MU-ZCU-12/14
Supplied label reference: 3AUA0000153462
Family: ACS880

The supplied label identifies a programmed memory unit, not a complete ZCU control board. It also records Primary control INU and AINL6 / AINF6 v3.11.0.0. Confirm the required software and receiving hardware before ordering.

02 / Function and selection

ABB ACS880-MU-ZCU-12/14, label reference 3AUA0000153462, is a programmed memory unit for the corresponding ZCU arrangement. The supplied label records Primary control INU and AINL6 / AINF6 program versions. Match the memory, control unit and application software as a complete configuration.

For replacement: include the complete memory label, receiving ZCU type, drive type code, application program and firmware versions, and the parameter-backup requirements.

03 / Supply and quotation

Condition: New
Supply scope: Memory unit only
Dispatch: Ready to ship; confirm quantity and destination.
Warranty: BESTWELL one-year supplier warranty under written terms.
The receiving ZCU control unit, drive, panel and any separately required accessories are outside the memory-unit supply.
